Event: Brazilian Carnival  
When: Friday February 8  
Where: Nasimi Beach, Atlantis The Palm

In celebration of the famous Rio street party, Dubai's Brazilian contingent revelled in the homegrown music at Nasimi Beach's carnival, with plenty of samba and salsa rhythms to dance to. Adding to the carnival spirit were performances from a capoeira act and samba dancers, dressed in slinky, sequined outfits, comically worn over full-body leotards – perhaps the cool seaside winds played a part in that.

Leila Velasquez, Graciela Cabesa, Paola Jimenes and Ericka Fernandez
